Dear Mr. Bradshaw,

It is my pleasure to appoint you as a member of the Oyster Advisory Commission. Thank you for making this strong personal and professional commitment to serve the best interest of our citizens. I know we will succeed in our goal to make a positive difference in oyster populations for all Marylanders, especially with your support and assistance.

Persons who serve on most of the State boards and similar entities are subject to the Maryland Public Ethics Law. For further information and questions regarding conflict of interest matters and annual financial disclosure statements, please contact the State Ethics Commission at 410-260-7770. You will need to provide information to the State Ethics Commission to be a member of the Oyster Advisory Commission.

Once again, thank you for your commitment and service to our great state. If you have any questions, please contact Dave Blazer at 410-260-8281 or david.blazer@maryland.gov.
